Consequently, whatever your position, you have an important assignment: perform every task to the very best of your ability.

You are encouraged to grasp opportunities for personal development offered to you. This manual offers insight on how you can perform positively and to the best of your ability to meet and exceed the expectations of Professional Business Associates.

Professional Business Associates encourages you to discuss any issue you may have with a co-worker directly with that person. If a resolution is not reached, please arrange a meeting with your manager to discuss any concern, problem, or issue arising during the course of your

employment. Any information discussed in an Open Communication meeting is considered confidential. Professional Business Associates complies with the Americans with Disabilities Act (ADA).

Equal employment opportunity notices are posted near employee gathering places as required by law. These notices summarize the rights of employees to equal opportunity in employment and list the names and addresses of the various government agencies that may be contacted in the event any person believes he or she has been discriminated against.

Management is primarily responsible for seeing Professional Business Associates' equal employment opportunity policies are implemented, but all members of the staff share in the responsibility for assuring by their personal actions the policies are effective and apply uniformly to everyone.

All employees, including managers, involved in discriminatory practices will be subject to termination.

Harassment Policy

Professional Business Associates intends to provide a work environment that is pleasant, professional, and free from intimidation, hostility or other offenses which might interfere with work performance. Harassment of any sort - verbal, physical, visual - will not be tolerated.

What Is Harassment?

Workplace harassment can take many forms. Harassment is, but is not limited to, words, signs, offensive jokes, cartoons, pictures, posters, e-mail jokes or statements, pranks, intimidation, physical assaults or contact, or violence. Harassment is not necessarily sexual in nature. It may also take the form of other vocal activity including derogatory statements not directed to the targeted individual but taking place within their hearing. Other prohibited conduct includes written material such as notes, photographs, cartoons and articles of a harassing or offensive nature. Any employee taking retaliatory action against an employee for discussing or making a harassment complaint will be subject to termination.

Responsibility

All Professional Business Associates employees, and particularly managers, have a responsibility for keeping our work environment free of harassment. Any employee who becomes aware of an incident of harassment, whether by witnessing the incident or being told of it, must report it to their immediate manager or the Vice President–Human Resources. When management becomes aware of the existence of harassment, it is obligated by law to take prompt and appropriate action, whether or not the victim wants the company to do so.

Reporting

While Professional Business Associates encourages you to communicate directly with the alleged harasser and make it clear the harasser's behavior is unacceptable, offensive or inappropriate, it is not required you do so. It is essential, however, to notify your manager immediately even if you are not sure the offending behavior is considered harassment. Any incidents of harassment must be immediately reported to a manager or the Vice President–Human Resources. Appropriate investigation and disciplinary action will be taken.

All reports will be promptly investigated with due regard for the privacy of everyone involved. However, confidentiality cannot be guaranteed. Any employee found to have harassed a fellow employee or subordinate will be subject to termination. Professional Business Associates will also take any additional action necessary to appropriately remedy the situation. Retaliation of any sort will not be permitted. No adverse employment action will be taken for any employee making a good faith report of alleged harassment.

Professional Business Associates accepts no liability for harassment of one employee by another employee. The individual who makes unwelcome advances, threatens, or in any way harasses another employee is personally liable for such actions and their consequences. Professional Business Associates will not provide legal, financial, or any other assistance to an individual accused of harassment if a legal complaint is filed.

Standards of Conduct

Whenever people gather together to achieve goals, some rules of conduct are needed to help everyone work together efficiently, effectively, and harmoniously. By accepting employment with us, you have a responsibility to Professional Business Associates and to your fellow employees to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain you understand what conduct is expected and necessary. When each person is aware she/he can fully depend upon fellow workers to follow the standards of conduct, our organization will be a better place to work for everyone.

Unacceptable Activities

We expect each person to act in a mature and responsible way at all times. If you have any questions concerning any work or safety rule, or any of the unacceptable activities listed below, please see your manager for an explanation.

Note the following list of Unacceptable Activities does not include all types of conduct resulting in disciplinary action, up to and including termination. Nothing in this list alters the at-will nature of your employment; either you or Professional Business Associates may terminate the employment relationship with or without reason, and in the absence of any violation of these rules.

Disciplinary Actions

This policy pertains to matters of conduct as well as the employee's competence. However, an employee who does not display satisfactory performance and accomplishment on the job may be dismissed, in certain cases, without resorting to the steps set forth in this policy.

Under normal circumstances, managers are expected to follow the procedure outlined below. There may be particular situations, however, in which the seriousness of the offense justifies the omission of one or more of the steps in the procedure. Likewise, there may be times when the company may decide to repeat a disciplinary step.

To ensure Professional Business Associates' business is conducted properly and efficiently, you must conform to certain standards of attendance, conduct, work performance and other work rules and regulations. When a problem in these areas does arise, your manager will coach and counsel you in developing an effective solution. If, however, you fail to respond to coaching or counseling, or an incident occurs requiring formal discipline, the following procedures occur:

1. Verbal Warning-Verbal warning regarding the nature of infraction and remedial action to be taken by employee.
2. Written Warning-Inadequate response to verbal warning will result in written reprimand with specific steps to be taken to remedy the situation within a specific time period. This document is to be acknowledged by employee in writing and becomes part of the employee's personnel file.
3. Suspension Without Pay-Failure to respond to written warning will result in suspension without pay for up to five (5) days.

Work Schedule

Business Hours

Our regular operating hours are from 8 a.m. to 5 p.m., Monday through Friday. The normal workweek consists of five (5) days, each eight (8) hours long with one hour for a meal, Monday through Friday.

Your particular hours of work and the scheduling of your meal period will be determined and assigned by your manager. Most employees are assigned to work a 40 hour work week. Should you have any questions concerning your work schedule, please ask your manager.

Attendance

Professional Business Associates expects you to be ready to work at the beginning of your assigned daily work hours and to reasonably complete your projects by the end of your assigned work hours. Please let your manager know if you will be away from your workstation for an extended period of time and when you expect to return.

Absence or Lateness

From time to time it may be necessary for you to be absent from work. Professional Business Associates is aware emergencies, illnesses, or pressing personal business cannot be scheduled outside your work hours may arise. Paid Time Off (PTO) days have been provided for this purpose.

If you are unable to report to work or if you will arrive late, please contact your manager immediately. If you know in advance you will need to be absent, please request this time off directly from your manager.

When you call in to inform Professional Business Associates of an unexpected absence or late arrival, ask for your manager. If you're arriving to work late, please call your manager to let your manager know when you expect to arrive for work. If you are unable to call in yourself because of an illness, emergency or for some other reason, be sure to have someone call for you. If your manager is not available, please contact Human Resources.

Meal Periods

If you work longer than four (4) hours, you will be given an unpaid meal period. The time when meal periods are scheduled varies among departments, depending on the needs of each department. Do not perform any work during your regularly scheduled meal period. It is important to return to work on time at the end of your meal period.

Performance and Compensation Reviews

Performance Reviews

Because we want you to grow and succeed in your job, Professional Business Associates conducts a formal review once each year for each employee. New employees are also reviewed near the end of their Introductory Period. A special review may also be conducted in the event of a promotion or change in duties and responsibilities. In addition, any employee receiving a written reprimand or suspension without pay will have a formal review every ninety (90) days for one year.

During a formal performance review, your manager will cover the following areas:

- The quality and quantity of your work
- Strengths and areas for improvement
- Attitude and willingness to work
- Initiative and teamwork
- Attendance
- Customer service orientation
- Problem solving skills
- Ongoing professional growth and development

Additional areas may also be reviewed as they relate to your specific job. Your review provides a opportunity for collaborative, two-way communication between you and your manager. This is a good time to discuss your interests and future goals. Your manager is interested in helping you to progress and grow in order to achieve personal as well as work-related goals. Your manager can recommend further training or additional opportunities for you. The performance review gives your manager an opportunity to suggest ways for you to advance and make your job at Professional Business Associates more fulfilling. Your manager can answer any questions you may have about the performance review process.

Compensation Reviews

Professional Business Associates' compensation reviews are usually given with the annual performance reviews. Any applicable compensation increase will appear in the pay period ending after the date granted. Having your compensation reviewed does not necessarily mean you will be given an increase due to individual and/or company performance and changes in market value.

An individual's pay will depend on how consistently he/she performs over a given period of time and the financial resources of the company. During the review, significant performance events occurring throughout the year will be discussed. The overall performance rating will influence any compensation adjustment.

In addition to individual performance reviews, Professional Business Associates periodically conducts a review of job descriptions to ensure we are fully aware of any changes in the duties and responsibilities of each position, and such changes are recognized and adequately compensated.

Employee Assistance Program

Another important benefit Professional Business Associates offers its employees is the Employee Assistance Program (EAP). The EAP provides a confidential, easily accessible professional counseling service for our employees whose personal problems are affecting their abilities to function effectively at work or home. This service is available to all full-time and part-time employees and their immediate family members. If you or a member of your family has questions concerning legal, family, or financial issues, child care, elder care, relationships, substance abuse or addiction questions and concerns, work-related issues and any mental health issue, you can contact the EAP directly.

Confidentiality is one of the most important aspects of this program. If you contact the EAP directly, no one in the company will know unless you tell them. No information concerning the nature of your problem will be released without your written consent. Professional Business Associates assumes the costs for the Employee Assistance Program.

Workers' Compensation

All employees are entitled to Workers' Compensation benefits. This coverage is automatic and immediate and protects you from an on-the-job injury. An on-the-job injury is defined as an accidental injury suffered in the course of your work, or an illness which is directly related to performing your assigned job duties. This job-injury insurance is paid for by Professional Business Associates. If you cannot work due to a job-related injury or illness, Workers' Compensation insurance pays your medical bills and provides a portion of your income until you can return to work.

All injuries or illnesses arising out of the scope of your employment must be reported to your manager immediately. Prompt reporting is the key to prompt benefits. Benefits are automatic, but nothing can happen until we are informed about the injury. Insure your right to benefits by reporting every injury no matter how slight.

Employees returning to work after being absent due to a work-related injury must report to their manager prior to beginning work and must bring a doctor's clearance for returning to work.

Paid Leaves

Paid Time Off (PTO)

Paid Time Off is provided to employees for you to rest, relax, and pursue special interests and for sick or personal days. Professional Business Associates has provided paid PTO as one of the many ways in which we show our appreciation for your work, knowledge, skills, and talents and to provide income when you are sick or injured.

Only regular full-time employees are eligible to accrue PTO.

Amount of PTO

Eligible employees accrue PTO for each month of service. The PTO accrual rate is based on length of employment, as follows:

Years of Employment	Monthly Accrual Rate (In Hours)	Total Accrual Per Year (In Days)
Less than five (5) years	6.67	10
Five (5) to ten (10) years	10	15
More than ten (10) years	13.3	20

PTO Policies

Professional Business Associates will always try to let you use your PTO time as desired, but PTO cannot interfere with your department's operation. Therefore, your PTO must be approved in advance by your manager. If any conflicts arise in PTO requests, preference will be given to the employee with the longest length of continuous service.

If you are sick or injured, it is important you notify your manager before your scheduled work hours that you will not be at work. Professional Business Associates may, in its sole and absolute discretion, require a doctor's certificate verifying the necessity for absence(s) and the specific illness, injury, or other disability to which the absence is attributed.

In the event of an illness or injury which is covered by workers' compensation insurance, this PTO Policy will not apply, but will defer to State statutes.

In addition to utilizing PTO for your own illness, PTO may also be used for the purpose of visiting doctors, dentists or other recognized practitioners. These PTO days should be scheduled in advance.

All PTO time must be taken in half day or full day increments. Specific PTO dates must be approved by your manager. Your manager has the responsibility to maintain adequate staffing levels and has the authority to limit the approval of PTO requests in order to meet operational needs. Requests will normally be granted as long as your absence will not seriously affect Professional Business Associates' operations.

If you are on an approved leave of absence for less than thirty (30) days, your PTO eligibility will not be affected. If your approved leave of absence extends beyond thirty (30) days, PTO time will not continue to accrue.

If you have unused PTO days upon the termination of your employment with Professional Business Associates, you will be paid for that time at your regular base hourly rate.

Time off for any reason during a working day will count against your accrued PTO days in half-day or full-day increments. Thereafter, unless specifically excepted, any time off will be without pay.

Failure to return to work as scheduled from an approved leave of absence or to inform your manager of an acceptable reason for not returning as scheduled will be considered a voluntary resignation of employment.
